

Digital Photography

Your audience will learn:

1. Cameras - How to choose, even how to hold
2. Lens - Which to use
3. Composition - Maximizing your image size
4. Lighting - More than just for exposure
5. Portraits - Head shots made simple
6. Group portraits - Avoiding winks, blinks and yawns
7. Directing - Getting the right expressions
8. Digital fixer-uppers...
9. Professional secrets and tips

Harris from Paris in Monaco

Testimonials

"His class was well worth it," Aaron P, Long Beach, CA

"I took his evening class. next I'll take his European seminar," Irene M., Malibu, CA

"I'd take this seminar again, even if I wan't interested in photography"
Spencer M, Memphis, TN

"He has special combination of humor and erotic" Spark Magazine, Korea

"Classes were packed with satisfied customers" Bel-Air Camera, Los Angeles, CA

"We could use more entertaining and informative speakers like Harris from Paris" The Learning Annex LA

"Awarding him Speaker of the Year, speaks for itself" Toastmasters LA

Harris from Paris

He is an internationally syndicated photo-journalist who specializes in lifestyle feature stories. His work has been published in virtually every major newspaper, in-flight magazine and periodical such as FHM, Elle, Bazaar, Esquire and GQ.

He is a trained professional speaker and his lectures and seminars are both entertaining and informative. He sprinkles valuable photo techniques with hilarious personal anecdotes based on the erotic stories he has produced around the world.

Harris from Paris is the author of two books. His most recent, *'Around the World in 20 Years - My Life as a Photojournalist'* is an off-beat look into his well-traveled off-beat career.

Seminar programs: Two/three hours - One day - Weekend - 7-10 day Exotic Overseas Trips - Custom
